

## Saline and Sodic Soil Treatment

### GENERAL INFORMATION

**Salt-Aid™** organically relieves the pressures on turf associated with accumulating salts, sodium and bicarbonates in the rootzone which cause saline and sodic soils, without harming the soil's beneficial microbes.

**Salt-Aid** increases the availability of calcium, magnesium, potassium, and phosphorus (both Bray 1 and Bray 2) while dramatically reducing sodium levels, soluble salts, and bicarbonates.

### CAUTION

KEEP OUT OF THE REACH OF CHILDREN.  
MAY BE HARMFUL IF SWALLOWED.  
EYE IRRITANT.

Contains non-ionic wetting agents and surfactants. In case of eye contact, flush eyes with water. If swallowed, give water or milk. Call a physician.

### CONDITIONS OF SALE

#### WARRANTY AND LIMITATION OF LIABILITY

AQUA-AID, INC. (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

- 55 Gallons (208.2 L)

### NET WEIGHT

- 27.0 Lbs (12.25 Kg)
- 54.0 Lbs (24.49 Kg)
- 324.0 Lbs (147.0 Kg)
- 594.0 Lbs (269.4 Kg)

**CONTAINS:** Proprietary blend of organic acids

**NOT A PLANT FOOD INGREDIENT**

### DIRECTIONS FOR USE GENERAL TURF *Greens, Tees, Fairways, Lawns and Sports Turf*

#### Maintenance

Apply 3 to 8 ounces per 1000 ft<sup>2</sup> in 2 gallons of water (96 to 255 ml per 100 m<sup>2</sup> in 8 liters). Repeat at 30 day intervals, or as needed for specific sodium reduction needs.

#### Curative

Apply 8 to 16 ounces per 1000 ft<sup>2</sup> in 2 gallons of water (255 to 509 ml per 100 m<sup>2</sup> in 8 liters). Begin maintenance program 30 days after curative application.

For optimal product effectiveness, **Salt-Aid** should be watered in.

DO NOT combine **Salt-Aid** in the spray tank with other products unless prior use has shown the combination physically compatible, effective and non-injurious under local conditions.

### AQUA-AID GUARANTEE

Salt-Aid comes with a 100% money back guarantee. If you are not satisfied with Salt-Aid for any reason after trying the product at recommended rates, AQUA-AID, INC. will refund your money in full.
